

“Beauty is . . .”

2009–2010 PTA Reflections Program | VISUAL ARTS

Students must adhere to the General Student Participation Rules as well as the following Visual Arts Rules.

Description

A visual arts entry must be an original print, drawing, painting, collage, photographic collage, metal etching or punch work, fiber work, or computer-generated artwork that relates to the current Reflections Program theme.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Presentation

- All art must be flat and may not be more than 3/8 inch thick. This includes all two-dimensional materials and images, including small, flat items (such as string, fabric, and screening) that have maximum surface contact with the face of the image. Nothing three-dimensional (noodles, beans, beads, boxes, etc.) may extend off the surface of a work.
- No art may exceed 24 inches by 30 inches, including a mat.
- Entries may be submitted on paper, canvas board, cardboard, hot or cold pressboard, or canvas (not to exceed 3/8-inch thickness).
- Mount all paper or canvas entries on sturdy cardboard mats, but not in wood, metal, plastic, or glass frames.
- Protecting the work with shrink-wrap or a transparent plastic cover is optional but highly recommended.
- Lamination is discouraged because it can permanently damage the surface of the artwork.
- Place the Student Entry Form in a sheet protector and secure it with masking tape to the back of the artwork on top of the shrink-wrap.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write “Untitled.”

Required Information

On the Student Entry Form, give the dimensions of the piece (including any mat) and describe the medium (crayons, oil on canvas, etc.).

Works Not Accepted

- Sculpture, ceramics, jewelry, and other three-dimensional artwork
- Reproductions or enlargements of other artwork

Use of Copyrighted Material

Use of copyrighted material, including any copyrighted cartoon characters or other such material, is not acceptable in any visual arts submission, with the following exceptions:

Visual artworks may include public places, well-known products, trademarks, or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.

Visual arts collages may include portions of existing copyrighted works, such as photographs, magazine clippings, Internet images, and type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new and different work of art. A collage should be judged for its whole, not by its parts, and whether the resulting work stands as a creative, *original* work of art on its own.
