3. Complete and turn in the application (through the faculty sponsor) by 4/12/22-LATE APPLICATIONS WILL NOT BE ACCEPTED...NO EXCEPTIONS

- A faculty committee will review applications to determine club viability.
- If the faculty committee approves your club, a club interview will be scheduled beginning the week of April 17th.
- Remember: Students wishing to start a club must currently be 9th, 10th, or 11th-grade students, and the sponsor must have been at Walton High School for at least one year.
- Any missing information or failure to follow proper procedures will eliminate prospective clubs from consideration.

Prospective Club Process:

The Executive Vice-President of *SGA*, his/her committee, and the club administrator will review all proposals and interview the selected new clubs. The committee interview should include the students wishing to create the club and the sponsor. **The interviews will begin the week of 4/17/22. Interviews will be scheduled before or after the school day.**

Prepare for the interview. In reviewing proposals for new clubs, the committee will consider the following:

- What is your purpose?
- Why do you want to start a new club?
- What is your club going to offer?
- How is your club different from the other clubs at Walton?
- Is there an existing group with the same purpose?
- Is this a community organization instead of a club idea? (Walton clubs are not just about fundraising for community organizations)
- How will this new group benefit the students, the school, and/ or the community?
- What commitment do the creators of the new club have to make the group viable and long-lasting?
- Creating a club is not just for the college application. We want clubs that will be active, purposeful, and not a duplicate of a club already exists.

Club Expectations:

- Clubs have only four officers: president, vice-president, secretary, and treasurer.
- Clubs may not meet during school hours but can meet at various times on Wednesdays.
- Clubs may meet before and after school.
- **Clubs must have the sponsor present at all meetings and all club-sponsored activities.**
- **Clubs are not to participate in fundraisers without approval from Mrs. Brown and their sponsor.**
