

Food Service

The School Food Service Program is an important part of our educational program. Support of the program by staff and students is essential.

Type A lunches that meet Federal and State regulations regarding nutritional requirements are served. Low salt, cholesterol, and sugar are our primary concern in all food preparations.

The Food & Nutrition Staff at the Walton High School Café serve up a nutritious, hot and attractive meal daily. We offer a wide variety of top quality, name brand items including Tyson, Frito-Lay, Minute Maid, Gatorade, Pillsbury, Blue Bell, Hormel, Land o Lakes, Fruitopia and Kraft. Our staff carefully monitors food temperatures and quality from delivery to point of service.

We serve several different entrees daily, which may include pizza, sub sandwiches, chef salads, nachos and wraps, as well as more traditional fare. Our value meals include an entrée, a choice of 2 side items and a choice of milk. All value meals must meet stringent USDA nutritional standards. Our a la carte selections include chicken tender baskets, ice cream, specialty salads, desserts, and a wide variety of beverages.

Prepayment monies may be placed on account and drawn from as needed. This offers the convenience of not having to carry cash daily. Students should not share their ID#s with others as this is also their account number. Cafeteria charges and food deliveries from outside restaurants are not permitted.

Free and reduced price lunches are available for those who qualify and complete the Federal application process. All applications are confidential. Applications are provided to students at the beginning of the school year and are available from the café manager throughout the year.

You can find current menus and price lists on the Food & Nutrition Services web site.
